

Feal Suspension Contingency Program – Formula Drift Pro-Am

ABOUT

The Feal Suspension Racer Program is designed to help amateur drifters meet long-term suspension needs. The program offers performance-based credits to qualified drivers. The credits can be used toward product/services to maintain or upgrade current Feal suspension systems, or toward a new suspension system. All Feal Suspension systems have been designed by Aurimas Bakchis, and the drift-specific coilovers have proven success in the Formula Drift series.

BENEFITS OF RACER PROGRAM

- Per Event finish, minimum of 8 class participants:
 - 1st place, \$300 Feal Credit
 - 2nd place, \$200 Feal Credit
 - 3rd place, \$100 Feal Credit
- Credits can be used for suspension rebuild or revalve labor, and Feal brand products.
- Free trackside support when available (help adjusting damping, spring rates, spring pre load, ...)
- Free technical support via phone and or email (Natural frequency calculations, spring preload calculations, tuning advice, ...)

TO QUALIFY

To qualify for the Feal Suspension Pro-Am contingency, please provide the following to marketing@fealsuspension.com :

- Completed Racer Program application.
- Image of the car.

Once approved for the Feal Suspension Racer Program, the following must be met for the duration of the season:

- Must use Feal Suspension coilovers on competition vehicle.
- Display (3) 12-inch Feal Suspension decals in highly visible areas on the competition car. Decals will be provided by Feal Suspension. **Poor decal placement will result in disqualification from this contingency program.**
- Email "Feal Suspension Claim Form" to redeem Feal credits after each event.
